Families,

I am writing with an update to the roof repairs we [announced](#) last May for A.J. Smeltzer Junior High.

This project has started and is being scheduled for after hours and on weekends. Construction is expected to be completed in late November.

Please be assured that learning will not be impacted.

You can expect further updates over the next few months. If you have questions or concerns, please contact the HRCE Operations Services team at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna
