

December 13, 2022

Families,

We have received confirmation from the Nova Scotia Department of Labour, Skills and Immigration as well as a third-party expert, Pinchin Ltd., **that Bicentennial School is safe to reopen for staff and students tomorrow (Wednesday, December 14, 2022).**

All tests for asbestos conducted since last Thursday have returned clear. We will send a follow up message later this evening with all test reports.

We appreciate your patience.

With thanks,

Kavita Khanna, P. Eng
Director, Operations Services
Halifax Regional Centre for Education
