Families,

We hope students enjoyed their first few weeks back to school after the holiday break. We are writing to you today with an update to the building upgrades taking place at Bicentennial School.

The safety and well-being of all staff and students is our highest priority. Since our last update, we have been working with consultants and contractors to ensure continued safety. Construction, including the demolition of the exterior wall, is expected to resume in the coming weeks and will take place after school hours.

Regular updates will be provided as work progresses and schedules are confirmed.

If you have any questions or concerns about these projects, please contact the HRCE Operations Services Team at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna
Director, Operations Services
