

January 13, 2023

Families,

We hope students are enjoying their first few weeks back to school after the holiday break. We are writing with an update to the roof repairs we announced in October 2022 for Rockingham School.

This year, the section of the roof being repaired is to the right of the school's main entrance. This work is tentatively scheduled to start **Friday, January 20, 2023** and is expected to be completed by March 31, 2023.

Although construction may be visible, please be assured that all work will take place outside of regular school hours and will not affect learning.

If you have any questions or concerns about this project, please contact the HRCE Operations Services Team at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna
