Families,

I am writing to let you know that another section of the roof at Rockingham Elementary is scheduled to be replaced. This is a continuation of the roof replacement project that was started last fall and will complete the required roofing work for this school.

This project is expected to start this summer and should be completed this fall.

You may see workers on site as we begin preliminary work for this project. Please be assured that learning will not be impacted.

You can expect further updates over the next few months. If you have questions or concerns, please contact the HRCE Operations Services team at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna
Director, Operations Services
