

July 13, 2022

Families,

I am writing to provide you with an update on the status of the additional portable classrooms arriving at Charles P. Allen (CPA) High School. This spring, we shared [a message](#) outlining the plan to add two portables to support enrolment growth at CPA. Since then, we determined that an additional portable is needed to provide comfortable learning spaces for students.

One of the three portables is now on site, and two more will arrive in the coming days.

As soon as all three portables are in place, our Operations Team will begin the work to refresh the spaces, add furniture and set up technology so they are ready to welcome students and staff in September.

The school principal, along with school staff, will determine how to best use these portables to support learning for all students. You can expect a further update before school begins on Wednesday, September 7, 2022.

Have a wonderful summer,

A handwritten signature in black ink, appearing to read 'Kavita Khanna', written over a horizontal line.
