Returning Families	New Families
<p>If you already have an account, enter the Parent Portal by providing your registered email address and password in the 'Returning Parents Sign In' section. If you have forgotten your password, click on "Click Here" beside 'Forgot Password" in the 'Returning Parents Sign In' section.</p> <p>If you have an account but do not have a password yet, select the "Sign Up" button in the 'Existing Parents Sign Up' section. Enter your registered email address in the box provided and click the [Sign Up] button. An email will be sent to the email address you provided with instructions to create a password. The link provided is valid for a limited time.</p> <p>In the Registration section of the Parent Portal Home Page, click on the Register button of the desired program. If you have children attending schools in different units, simply enter the EZChildTrack Parent Portal on the specified registration dates for each child and register for the appropriate program.</p> <p>Click on [Review My Account] to enroll returning children, add new children, and make any necessary changes to the Primary Account Holder and Secondary Account Holder.</p>	<p>If you are new to EXCEL, you can register for a program by clicking on the [Register] button in the 'New Parents Open Account' section of the Parent Portal landing page. Once you select the desired program for registration, you will enter your email address. On the Instruction page, you can click on [View Detail by Site] to see the sites that have a limited number of seats or are already on the waitlist. If you have already entered the parent portal and started the application process, you can pick up where you left off by clicking on [Review My Account]. You will be required to enter a validation code. You can then click on [Validate and Copy my Information] to keep the information you have already entered or click on [Never mind! I will just re-enter all information to continue].</p> <p>If you have children attending schools in different units, simply enter the EZChildTrack Parent Portal on the specified registration dates by clicking on the Register button in the New Parents Open Account box and click on the Register button for the desired program. When you are registering for a second or third time, you will enter the Primary Account Holder's email address. After you enter your email address, a pop-up will prompt you to retrieve a Validation Code from the recognized email address. Enter the Validation Code and click on [Validate and Copy my Information]. The system will automatically populate the current parent registration form with all previously submitted adult and child data. You can then register/add the child(ren) for the specified program.</p>

When completing the parent application form, please note that mandatory fields (information) will have a red border if they are not populated. You will not be able to move forward until these fields are populated. EZChildTrack has added a "Pick Up Where I Left Off" checkbox on the Instructions page. If checked, the data entered will be saved if you exit and sign in at another time.
