**Subject:** Burton Ettinger: Pre-Primary Update

Families,

I am writing to welcome you and your child to the Halifax Regional Centre for Education (HRCE)! You are receiving this message because you have registered for the Pre-Primary program for Burton Ettinger Elementary for September 2024.

I am confirming that the Pre-Primary program will be offered at the Burton Ettinger Elementary site for the 2024-25 school year. For the past few years, Burton Ettinger's program used space at the Fairview Heights Elementary location due to enrolment growth.

**Transportation**

Pre-Primary children will be provided transportation if they meet [eligibility requirements](#). In early July, you can confirm your child's eligibility in [BusPlanner](#). The HRCE Student Transportation team will also reach out over the summer with more details.

**What happens next?**

Closer to September, an Early Childhood Educator with Pre-Primary will reach out to you with more information about starting the program this fall.

If you have any questions or concerns, please send us a message at [connect@hrce.ca](mailto:connect@hrce.ca).

We are excited to have you join us this September!

With thanks,

Steve Gallagher  
Regional Executive Director  
Halifax Regional Centre for Education
