Families,

I am pleased to share that Tantallon Senior Elementary will receive a new boiler system during the 2024-25 school year.

Work is expected to begin this summer. As we finalize details and timelines for this project, I want to assure you that most of the work will take place after school hours to minimize any impact on learning.

We appreciate your patience and will keep you updated as work progresses.

If you have any questions or concerns, please contact HRCE Operations Services at [hrceoperations@hrce.ca](mailto:hrceoperations@hrce.ca).

Sincerely,

Kavita Khanna P.Eng., MBA  
Director, Operations Services
