

October 23, 2024

Families,

In the coming weeks, the oil tank at Tantallon Junior Elementary is scheduled to be replaced. This project will include removing the current tank from its location underground and adding a newer tank above ground. A temporary tank will be in place to heat the school.

Most of this work will take place after school hours and is expected to be completed by the end of December.

If you have any questions, please contact HRCE Operations Services at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna P.Eng., MBA
Director, Operations Services
