

**Clayton Park School
Construction Progress Update
May 11, 2026**

RCS Construction Inc. is the general contractor for the construction of the new Clayton Park-Fairview 6-9 School. RCS will make every effort to minimize impacts on neighbours and will follow HRM construction guidelines including site access, traffic control, and noise restrictions.

Activities

1. Foundation preparation activities continued on site, with concrete pours anticipated to begin this week. Civil infrastructure materials have also started arriving on site for upcoming installation activities.
2. Site preparation and foundation work progressed across multiple areas of the project site in preparation for upcoming concrete foundation activities.
3. Temp. access road at back of soccer field is finished and fenced off.
4. Closure of the HRM Mainland Trail and the connecting trails to Brackley Place and Thackeray Close is anticipated in May 2026 to facilitate completion of the sanitary and storm lines; however, the closure remains pending Halifax Water approvals. Once approval is received, formal notice will be provided confirming the closure start date and anticipated duration for the Mainland Trail.
5. Upcoming works including installation of foundation formwork, foundation rebar and concrete work for strip footings and column footings.
