**RFP# 4266 - Addendum #1
Roof Replacement
Harbour View Elementary**

To: All Bidders
Date: May 6th, 2025
From: Nancy Rideout, Purchasing Manager
Office: (902) 464-2000 ext. 2222
Email: nrideout@hrce.ca

The bid documents shall be amended, and new drawings and clauses added, and shall become part of the contract documents as follows:

**The closing date for this RFP is extended to Thursday, May 8th.
Please ensure all questions and clarifications are directed to the HRCE Procurement.**

Bidder Questions

1. The detail 1/A-102 shows tapered insulation finishing flush with the parapets but this requirement cannot be achieved based on the roof shapes. The parapets will have to be built up. Could you please let me know if we can provide tapered insulation which vary in height at roof perimeters ?

Response:

The design can be achieved by using different slopes for each drainage zone with a constant height around the perimeter. Polyiso has several standard slopes-see attached. They would need to look at the worst-case scenario and set all the 'ridges' at that height. Each roof drain would need a different adjustment collar.

2. Regarding Vapour retarder
Response: Reference Section 07 13 52 Modified Bituminous Membrane Roofing
3. Regarding Hazard Assessment
Response: Details included in the RFP package.

End of Addendum #1 – RFP# 4266
