**The bid documents shall be amended, and new drawings and clauses added, and shall become part of the contract documents as follows:**

1. Schedule A – Revised Price Form as part of Addendum# 2 is available for download from the HRCE and Province of Nova Scotia websites. All interested parties are to complete the revised form and submit as part of your proposal on or before the closing date.
2. Schedule A – The Revised price includes the addition of two (2) schools to the Price Form and a revision in quantity for Ridgecliff Middle School.
3. Volatility of Market Conditions and the Impact of Tariffs:

While the HRCE understand the volatile nature of the external environment, the expectation is that vendors submit competitive pricing for the purpose of this standing offer as at the closing of June 20, 2025. Pricing submitted at the time of closing will be evaluated for the purpose of the contract. For a potential price increase due to tariffs, the awarded vendor/s would need to submit a formal request with supporting documentation from their supplier, to their HRCE for review and further consideration.

4. Required Product Specification and Model/Make:

Vendors are required to meet the product specification as identified in Schedule A – The Revised Price Form. If a product from the specified manufacturer could not be provided due to supply chain issues, unavailability, prospective bidders can provide an alternate which matches the original specification.
