The Closing Date of the RFSO will remain as 20th June 2025 – 2pm (ATL)**

Question: The ventless hood is listed as Rational, but Rational does not offer a 48” hood and the model number appears to match a Wells unit.

Response: To provide additional clarity on Addendum# 3, Stack two (2) oven – Hoodini Ventless system is not required as part of the RFSO. The proposed Wells Universal Hood, Model WVU-48 is an acceptable alternate for WVU-48 Rational Ventless system identified in the RFSO.
