Response to Questions & Clarifications:

- 1. Question:** Regarding the clearance of all entrances and stair ways to the schools?
Response: Stairs are cleared by the caretakes. Contractors are responsible for back dragging as close to the entrance ways as possible for the care takers to takeover.
- 2. Question:** Please confirm whether a mandatory site visit is required as part of the submission process? If so, kindly provide the schedule and any specific instructions for attendance.
Response: Yes it is - in completing Part 1 of the Site Inspection Form (Schedule D). Caretakers are available in the school from 7.30 – 4pm and could assist with plowing requirements for the specific school.
