The bid documents shall be amended, and new drawings and clauses added, and shall become part of the contract documents as follows:

**The Closing of this RFP is extended till July 23 2026 at 2pm ATL.
No further questions will be accepted for this competition.**

Question 1: Regarding Section 9.3.2 Smoke Detectors within Elevators

Response: The current service provider for Elevator Maintenance is Kone Inc. A new RFP for Elevator maintenance will be issued in the near future.

With regards to Section 9.3.2 of the RFP - Smoke Detectors within elevators, this should be a pass-through cost, meaning that the successful vendor/s of RFP 4290 will co-ordinate the site visit and other related activities with elevator company, directly. The successful vendor of 4290 will be billed directly by the elevator company. HRCE will then settle the successful vendor of 4290 at the point of invoice settlement.

Note: No markup is to be maintained.
