The bid documents shall be amended, and new drawings and clauses added, and shall become part of the contract documents as follows:

The Closing of this RFP will remain as August 24 2026 at 2pm ATL.

The Clarification specifies information already included in the RFP and will not require an extension to the closing.

No further questions will be accepted for this competition.

Clarification:

1. Regarding the Non-Contracted Services in Schedule A: Price Form & the Price Evaluation/Scoring:

Response:

As indicated in the Appendix B – Proponent Information Form, Section 2.0 Price Submission, 2.2 Time & Material Price – Non Base Contract Services, the Time and Material Pricing for Non-Base Contract Services must be provided but will not form part of the pricing evaluation. This detail is further emphasized in Schedule A – Price Form as well.

The Guard and Kilometre rates submitted under Schedule A – Price Form Section 2.2, are therefore excluded from the evaluated total and will not be used in calculating the proponent's pricing score. The pricing evaluation will be based on the Base Contract Pricing submitted under Schedule A - Price Form Section 2.1.

Regional Centre for Education

The rates submitted under Schedule A - Price Form Section 2.2 for Non contracted services remain mandatory and will establish the contractual rates applicable to any non-base services authorized by HRCE during the contract term.

For additional clarity, the successful proponent will be determined based on the combined Technical Score and Pricing Score in accordance with Section 2.10 Evaluation Criteria, of the RFP. The contract will not necessarily be awarded solely to the proponent submitting the lowest base price.

No Further Questions and Clarifications will be accepted for this competition.
