HALIFAX REGIONAL SCHOOL BOARD

CHARLES P. ALLEN HIGH SCHOOL/BEDFORD-HAMMONDS PLAINS COMMUNITY CENTER JOINT USE AGREEMENT

PURPOSE:

This report is submitted by Operations Services for information regarding the Joint Use Agreement (JUA) between Halifax Regional School Board (HRSB) and Halifax Regional Municipality (HRM) for the Charles P. Allen High School/Bedford-Hammonds Plains Community Center.

BACKGROUND:

Charles P. Allen High School opened in September 2013. HRM contributed \$10,700,000 for enhancement of the cafetorium sound system, construction of a community center and an all-weather turf sports field at the school.

Article 133 (1) of the Education Act states the following: "A school board and a municipality may enter into an agreement whereby the municipality agrees to pay the capital cost of a community facility to be acquired by the school board in or in association with a public school and the cost of maintaining and operating the community facility."

Paragraph (6) states that: "An agreement with respect to a community facility is of no effect unless the agreement is approved by the Minister."

CONTENT:

As noted above, a Joint Use Agreement was identified as a necessary document to establish parameters for the operation and reciprocal use of spaces within the school and community center. A JUA has been drafted and is attached to this report as Appendix A.

The JUA was developed collaboratively through consultation between staff from HRM Parks and Recreation, HRSB Operations Services, Administration Services and Charles P. Allen High administration, with input from the Department of Education and Early Childhood development (EECD Facilities Management and reviews by HRM and HRSB legal counsel. It is intended as a stand-alone document but reflects the intent of the existing Service Exchange Agreement (SEA) between HRM and HRSB.

The community center Manager is responsible for program development and community bookings of the community center, sports field and school after hours. HRSB has priority to book spaces within the school and books mandatory scheduled activities each June in preparation for the next school year to accommodate events such as parent/teacher night, concerts and team practices. School committees such as School Advisory Council are not required to pay for use of school spaces to accommodate meetings after hours.

HRSB and HRM are responsible for maintenance within their own facilities. Where services are provided by HRSB such as snow removal, waste collection or building system maintenance that also provide a benefit to the community center,

the HRM will receive quarterly invoices from HRSB based on a 22.3 % recovery of these operational costs.

The JUA allows for review of the agreement at any time upon request in writing from either party. A performance monitoring report will be presented annually by the Facility Operations Committee (FOC).

3.0 Access to School and Community Centre

3.1 HRSB agrees to make the School, and HRM agrees to make the Community Centre available for use by the other Party on a first priority basis after the scheduling requirements for its own programs and services have been met. It is understood that each Party has budget limitations and administrative processes that must be respected in implementing programs and services.

Scheduling issues are to be dealt with in a cooperative manner as per the provisions of this Agreement and in particular, Section 4.

3.2 It is understood by the Parties that the School is intended primarily for educational purposes and for the benefit of Students. It is therefore agreed by HRM that, in planning programs and scheduling activities in the School, the needs and opportunities of educational programs shall be dealt with in priority to recreational programs.

3.3 It is understood by the Parties that the Community Centre is intended primarily for recreational purposes for the benefit of the citizens at large. It is therefore agreed by HRSB that, in planning programs and scheduling activities in the Community Centre, the needs and opportunities of recreational programs shall be dealt with in priority to educational programs.

3.4 HRM and HRSB shall participate jointly on the FOC to ensure the ongoing successful communications and operations of the School and the Community Centre. The FOC will be chaired and populated with representatives as determined by Schedule “B”.

3.5 HRSB grants to HRM the right to make use of the School at no charge when the School is not being used for educational purposes. For greater clarity, the School shall be used by HRSB for educational purposes during School Hours, commencing at 7:00 a.m. and ending at 6:00 p.m., HRM, will have access to the School after School Hours commencing at 6:00 p.m. daily and ending at 10:00 pm for regular usage. School access is also available to HRM on weekends, school in-service days, Christmas Break, March Break and Summer Break. Shared use of the Facilities will be coordinated through the FOC. It is expected that community needs will be addressed sufficiently by access to the Community Centre and the following areas of the School: (a) the gymnasium, (b) the active healthy living room, (c) the cafetorium (including the stage), and (d) the classrooms on the 2nd and

3rd floors inside the security gate (but not the physics lab). This will be reviewed in detail in the month of May or June of each year of operation.

- 3.6 Scheduled use of the Facilities will be reviewed with the FOC to ensure that appropriate access is available for HRSB staff requirements during in-services, Facility cleaning and maintenance, and to ensure community program and service needs are being met. HRM agrees there will be no community access or programming to the School during the last 12 days of August each year to ensure that custodial staff can complete cleaning and preparations for the upcoming Academic Year.
- 3.7 The School representatives and the HRM representatives on the FOC will work to ensure that scheduled use of the School is maximized between 4:00 pm and 6:00 pm Monday through Friday during the Academic Year.
- 3.8 HRM grants HRSB the right to use the Community Centre for educational purposes at no charge when the Community Centre is not being used during School Hours. HRM staff and the principal of the School, through the FOC, shall work cooperatively to maximize the joint-use of the Community Centre.
- 3.9 All programs and activities scheduled under this Agreement shall comply with the policies and procedures applicable to the Facilities as established by the Parties.
- 3.10 All scheduling requests will be submitted and reviewed as per Section 4.0 of this Agreement. All other requests shall be submitted in writing to an authorized representative of the other Party. Any issues of disagreement arising from this process shall be dealt with in accordance with the dispute resolution provisions in Section 12.0 of this Agreement.
- 3.11 It is agreed by the Parties that this Agreement is intended to benefit HRSB Students and HRM citizens of all ages and therefore in planning programs and scheduling activities pursuant to this Agreement, the Parties agree, on a best efforts basis, to ensure that the needs and opportunities of all ages are addressed.
- 3.12 The Community Centre and the School will be available for scheduled use by the general public, community organizations and groups on a Year Round basis provided that the requested Facility is available to be scheduled. HRSB will work closely with HRM to promote an environment of mutual inclusion in decision making relative to access to the School at times of the year when Students are not present.
- 3.13 Public access to the Community Centre and the School (only in accordance with s. 3.5) will be scheduled, supervised and managed by HRM.

Such bookings shall be coordinated with HRM.
- 3.15 Each Party and community-based user shall be responsible to supply its own athletic and other program equipment, with the exception of standards and nets, which shall be made

available, on a best efforts basis, by each Party for the benefit of the other Party or community-based user as required.

- 4.2 Commencing in May of each year, HRM will identify the programs to be offered and advise the Principal or his/her designate of the scheduling needs of community groups for the upcoming Academic Year. Facility-use in one year does not guarantee the same use at the same times in the subsequent year, due to changes in recreation trends, education requirements, community and demographics.
- 4.3 The Principal or his/her designate shall advise HRM of HRSB's educational program schedule and related HRSB commitments for the upcoming Academic Year, once he/she has received HRM's scheduling requirements as per Sections 4.1 and 4.2 of this Agreement.
- 4.4 Once HRM and the HRSB have exchanged their scheduling requirements as per above, HRM staff, the Principal or his/her designate and the FOC shall discuss the potential sharing of resources and adjust the joint-use schedule accordingly, so as to be in the best interest of the Students and the community at large.

5.0 Cancellations

- 5.1 When the School or Community Centre is closed due to emergency circumstances the closure of that Facility shall result in the cancellation of the other Party's access to that Facility. Notwithstanding the foregoing, when the Community Centre is closed due to inclement weather, access to the Community Centre by HRSB shall be cancelled; however when the School is closed due to inclement weather but the Community Centre remains open, HRM shall continue to have regular access to the areas of the School identified in section 3.5 of this Agreement provided that an HRSB caretaker is on duty.

In particular, HRM shall be solely responsible for and shall pay the cost of clearing and maintaining the sidewalks immediately adjacent to the Community Centre.
- 6.3 Subject to sections 10 and 11 of this Agreement, where operating costs, maintenance costs, repairs, replacements or capital improvements are required and relate to or affect both the School and the Community Centre and cannot be separated, the total costs thereof shall be shared by HRSB and HRM as agreed to by the parties (with HRM typically contributing 22.3% of the total costs). If the parties cannot agree on the necessity or apportionment of such costs, the parties will submit to the Dispute Resolution process outlined in section 12 of this Agreement to determine same.
- 6.4 HRSB shall maintain the School and HRM shall maintain the Community to an industry standard level which ensures each party's ability to conduct quality physical education or recreation programs in the other's Facility.
- 6.5 HRSB shall ensure that its custodians are present and on duty at the School between the hours of 7:00am and 11:00pm, Monday through Friday, and 9am to 10pm Saturday and Sunday during the Academic Year and from 9am to 10pm daily during the summer months. HRM shall ensure that its custodians are present and on duty at the Community Centre between the hours of 9am to 5pm Year Round. Each party shall reimburse the other if it requires custodians to be present at the other's Facility outside of these hours.
- 6.6 Staff and contractors performing maintenance duties for either Party must be diligent in their attention to the operations and the Students and Community Centre guests at each Facility and all work shall be performed in a respectful manner.

- 7.2 HRM shall be solely responsible for scheduling and maintaining the Athletic Field (apportionment of cost?).
- 7.3 HRSB shall have the exclusive right to use the Athletic Field at no charge during the Academic Year between the hours of 3:00pm and 6:00pm, Monday through Friday. It is expected that HRSB will utilize this time to schedule practices, games and athletic events for Students. HRM will not book other users of the Athletic Field during this time without the express consent of HRSB.
- 7.4 HRSB shall have the right to use the Athletic Field at no charge during the Academic Year between the hours of 9:00am and 3:00pm, Monday through Friday. HRSB must provide HRM with details of its scheduling needs in May of the previous Academic Year through the FOC. Block booking is not permitted. Any hours not required by HRSB shall be made available to HRM for community bookings.
- 7.5 Outside of the hours referenced in sections 7.3 and 7.4, HRSB shall be required to book the Athletic Field through HRM like any other user and shall pay HRM the going-rate for use of the Athletic Field.
- 7.6 HRM reserves the right to cancel any booking of the Athletic Field due to emergencies, inclement weather or for required maintenance and repairs. Where possible, HRM will provide the user with 24 hours advance notice.

- 8.1 HRM and HRSB shall be jointly responsible for the management of this Agreement.

Party with two (2) days' written notice, initiate a special meeting to discuss any concerns arising from this Agreement, or to discuss proposed amendments to the Agreement.
