INDEPENDENT AUDITORS' REPORT

To the Chairperson and Members of the Board

We have audited the accompanying consolidated financial statements of Halifax Regional School Board which comprise the consolidated statement of financial position as at March 31, 2017, consolidated statements of accumulated surplus, operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of Halifax Regional School Board as at March 31, 2017 and its consolidated results of operations, accumulated surplus and its consolidated cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

Notes to Consolidated Financial Statements

Year ended March 31, 2017

Halifax Regional School Board (the "Entity") is an independent legal entity with a governing board comprised of nine elected board members and one appointed board member as stipulated under the Education Act of Nova Scotia. The Board provides a full range of educational services for all instructional programs from Grade Primary through Grade 12 at public schools within the Halifax Regional Municipality. The Board is registered as a charitable organization under the Income Tax Act and, therefore, is exempt from income tax and may issue official receipts to donors for income tax purposes.

1. Significant accounting policies:

These consolidated financial statements are prepared in accordance with Canadian Public Sector Accounting Standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada ("CPA").

The consolidated financial statements have also been prepared to comply with the provisions of the School Board Financial Handbook as prescribed by the Ministerial Regulations of the Education Act of Nova Scotia.

These consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all organizations controlled by the Board and accountable to the Board for the administration of their own financial affairs and resources.

School based funds, which include assets, liabilities, revenues and expenses arising from certain school and student activities that are controlled and administered locally by each school, but for which the Board is accountable, are reflected in the consolidated financial statements.

Trust funds and their related operations administered by the Board are not included in the consolidated financial statements as they are not controlled by the Board.

The consolidated financial statements have been prepared using the following significant accounting policies:

(a) Revenue:

Revenue is recorded on an accrual basis. Grants received, donations and fees collected in advance of the provision or use of related services are deferred. The main components of revenue are funding from the Province of Nova Scotia and the Halifax Regional Municipality. Provincial government transfers representing the year over year change in accrued benefit obligations are recognized as revenue as the transfer has been authorized.

Each year, contributions by volunteers support the delivery of certain programs within schools. Due to the difficulty in determining or otherwise estimating the value of these contributions and because these services are not otherwise purchased, contributed services are not quantified and recognized in these financial statements.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2017

1. Significant accounting policies (continued):

(b) Expenditures:

Expenditures are recorded on an accrual basis and include the cost of supplies inventory purchased during the year. Provisions are made for contingent liabilities when it is likely that a liability exists and the amounts can be reasonably determined.

(c) Financial instruments:

The Board's financial instruments consist of cash and cash equivalents, receivables, payables and accruals, and other liabilities. It is management's opinion that the Board is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair value of these financial instruments approximates their carrying values, unless otherwise noted.

(d) Liabilities:

The Board accrues teachers' salaries at year-end. As directed by the Province of Nova Scotia, this is offset by a receivable from the Province for the accrued amount. The accrual and offsetting receivable are adjusted annually as required.

Salaries, vacation pay and benefits of non-teaching employees, as well as substitute salary costs, are also accrued at year-end. There is no equivalent offsetting receivable from the Province for these amounts.

(e) Cash and cash equivalents:

Cash and cash equivalents include cash on hand, balances with banks, a Canadian Fixed Income Portfolio with BMO Nesbitt Burns, short-term investments and bank balances held by schools. Bank borrowings, if they occur, are considered to be financing activities during the year. Short-term investments are recorded at the lowest of cost or market value.

(f) Net financial assets:

Net financial assets represent the financial assets of the Board, less liabilities.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2017

1. Significant accounting policies (continued):

(g) Non-financial assets:

Tangible capital assets having useful lives extending beyond the accounting period, are held for use in the operation of the Board and are not intended for sale in the ordinary course of operations. Tangible capital assets are recorded at net historical cost (or estimated cost when the actual cost is unknown) and include all costs directly attributable to the acquisition, construction, development and installation of the tangible capital asset, except interest. Tangible capital assets include land, building betterments, leasehold improvements, furniture and equipment, computer hardware, and motor vehicles. Tangible capital assets paid for by the Province either through direct payment or cost recovery are excluded as per the School Board Financial Handbook.

All tangible capital assets recorded prior to the March 31, 2005 fiscal year have been removed from the consolidated financial statements. Capital assets purchased by the Board since April 1, 2005 are recorded as assets and amortized according to the Province of Nova Scotia's tangible capital assets accounting policy thresholds. These thresholds are as follows:

Building betterments	\$ 150,000	Amortization:	5%	Declining balance
Motor vehicles	\$ 15,000	Amortization:	35%	Declining balance
Computer hardware	\$ 25,000	Amortization:	50%	Declining balance
Furniture and equipment	\$ 250,000	Amortization:	30%	Declining balance
Leasehold improvements	\$ 150,000	Amortization:		Straight-line over
				lease term

Under an agreement with the municipal councils at that time, all school buildings and land on hand at January 1, 1982 remain assets of the municipality, but are under the operational control of the Board until such time as the Board no longer requires the asset for school purposes. If assets are declared surplus by the Board, control will revert back to the Halifax Regional Municipality. Accordingly, as the school buildings prior to 1982 are not considered owned by the Board and schools subsequent to 1982 are owned by the Province of Nova Scotia or other parties, the Board has not recorded any school buildings in these financial statements.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2017

1. Significant accounting policies (continued):

The Board has made additions to school buildings, legal title to which is held by the Halifax Regional Municipality or the Province of Nova Scotia. Under the Education Act of Nova Scotia, should the buildings in question be disposed of, the Board will be entitled to a portion of any net proceeds of disposition. Due to the uncertainty of the receipt of any net proceeds by the Board, they will not be recorded by the Board until received.

Prepaids are cash disbursements for goods or services, other than tangible capital assets and inventories of supplies, of which some or all will provide economic benefits in one or more future periods. The prepaid amount is recognized as an expense in the year the goods or services are used or consumed.

(h) Pension, post-employment benefits and compensated absences:

The contributions to a multiemployer, defined benefit pension plan are expensed when contributions are due.

The costs of post-employment benefits and compensated absences are actuarially determined using the projected benefits method prorated on service and management's best estimate of retirement ages of employees, salary escalation and expected absences. Liabilities are actuarially determined using discount rates that are consistent with the market rates of high quality debt instruments. Any gains or losses from changes in assumptions or experience are amortized over the estimated average remaining service period for active employees.

The Board provides enhanced pension benefits to certain employees who had retired from the Board at amalgamation. The Board recognizes the actuarial liability of these post employment benefits and amortizes it over the remaining period of the pension enhancement.

(i) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2017

1. Significant accounting policies (continued):

(j) Liability for contaminated sites:

The School Board accrues a liability to estimate the cost to remediate contaminated sites to the level necessary to allow the property to meet the environmental standard appropriate to its current use or status. This relates to sites that are not in productive use and sites in productive use where an unexpected event resulted in contamination. The liability is based on estimates and assumptions using the best information available to management.

3. Long-term service awards:

Qualifying employees receive a service award upon retirement, disability, death or termination, when entitled to a vested pension, under the contracts between unions and the Halifax Regional School Board and its predecessor boards. The contracts prescribe the formulae used in calculating the service award as well as the period over which the payment is to be made.

The Province of Nova Scotia assumed responsibility for the payment of service awards to qualifying employees, but school boards in Nova Scotia are required to recognize the projected liability with respect to these service awards. The projected liability is offset by a corresponding receivable from the Province. The amount of the projected liability has been determined by the Nova Scotia Department of Finance, based on an actuarial valuation.

The amount included for Teacher's Service Awards is \$48,885,829 (2016 - \$50,671,096) and the amount included for Non-teacher's Service Awards is \$995,194 (2016 - \$1,138,623).

4. Long-term teacher's and non-teacher's sick leave accrual:

Qualifying employees are entitled to a prescribed number of sick leave days for use over their employment term. The Province of Nova Scotia has prepared an estimate of the accumulated sick leave accrual for the teaching and non-teaching staff of all School Boards in the Province and has assumed responsibility for the funding of this liability.

The School Boards in Nova Scotia are required to recognize in their respective financial statements the liability and the offsetting recovery from the Province of Nova Scotia and the yearly changes in the accumulated sick leave accrual related to the teaching and non-teaching staff.

The amount included for Teacher's Sick Leave Accrual is \$61,572,972 (2016 - \$61,408,472) and the amount included for Non-teacher's Sick Leave Accrual is \$2,746,521 (2016 - \$2,571,101).

2025-2026	4,069,339

The contract price will fluctuate based on various provisions in the agreement including school bus utilization and fuel prices, as well as changes in the Consumer Price Index.

7. Contingencies:

- (a) The Board recorded actual and estimated expenditures relating to known environmental matters in its properties. Such expenditures may continue in future years and will be recorded and funded as incurred. The future liability relating to unknown environmental matters in properties is not determinable at this time.
- (b) The Halifax Regional School Board is a subscriber to a self-insurance plan with the Nova Scotia School Insurance Exchange with all School Boards in Nova Scotia and the Nova Scotia Community College.

The Exchange covers property, liability and errors and omissions insurance for all subscribers for claims within a self-insured retention per occurrence with an annual aggregate per policy.

The Board has incurred insurance assessments from the Exchange for the year of \$1,127,112 and no further assessments are expected for claim liabilities as at March 31, 2017. The Exchange currently meets the minimum capital test established by the Superintendent of Insurance for the Province of Nova Scotia.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2017

8. Pension plans:

(a) Teachers:

The Board's teachers are members of a pension plan established by the Province of Nova Scotia pursuant to the Teachers' Pension Act. The Teachers' Pension Plan is administered by the Teachers' Pension Plan Trustee Inc. The Province of Nova Scotia and the Nova Scotia Teachers' Union are jointly responsible for funding this plan and accordingly no provision is included in the Board's financial statements for the related pension amounts.

(b) Non-teachers:

The Board's non-teaching employees participate in a multi-employer pension plan administered by the Halifax Regional Municipality Pension Committee. Employer pension costs of \$7,240,601 (2016 - \$6,980,173) are included in these consolidated financial statements which represent the cost of employer contributions for current service of participating employees during the year. Employees and the employer both contribute at the rate of 12.21% of pensionable earnings.

9. Bank indebtedness:

The Board has an operating line of credit of \$4,237,000 available with interest at prime minus 0.75%. As of March 31, 2017, this line of credit had not been utilized.

10. Related party transactions:

These consolidated financial statements do not include certain expenditures paid and services provided on behalf of the Board by the Province of Nova Scotia, including, but not limited to:

- Early Retirement Program payments;
