Families,

This message is coming to you from the principals of the new schools on Broad Street.

As you know, the Halifax Regional Centre for Education is holding a consultation on proposed ideas for the new schools. To date, we've heard from families, community members, and staff. Now it's time to hear from students!

We invite you to help your child share their thoughts about what they would like to see in a new school through a quick and anonymous online survey.

Ready to share your ideas? Click [here](#) to get started.

Don't forget – families can continue to submit thoughts through our Virtual Town Hall. More information about this consultation, including our proposed ideas and the different ways to provide input, can be found at www.hrce.ca/consult.

We ask that the survey be completed by **Tuesday, December 20, 2022**.

Thanks for your contributing – we can't wait to hear all your great ideas!

Sincerely,

Susan Casey
