

Unassigned Seat Requests for the 2023-24 School Year

HRCE Student Transportation offers unassigned seats on buses to families who can benefit from them. Starting **July 19, 2023**, families can apply for an unassigned seat for the 2023-24 school year. An unassigned seat is an empty and available seat on a bus once eligible bus students have been routed.

How to Request an Unassigned Seat

Families can submit a request for an unassigned seat per child/student and must acknowledge the conditions administered by the HRCE that align with the [School Transportation Policy](#).

1. All requests for unassigned seats must come to HRCE Student Transportation by:
 - Contacting 902-431-4723
 - Emailing transportation@hrce.ca
 - Submitting an unassigned seat request form online by [clicking here](#).
2. Families will receive a confirmation email of their submission for the request.
3. All families will receive a response to their request.

Conditions

An unassigned seat may be approved if the following conditions are met:

- Newly registered bus eligible students are routed first.
- Students will be assigned to the closest stop in the eligible bus zone on an existing bus route with an existing stop location.
- No bus stops will be created within the distance criteria.
- The bus schedule and routing will not be altered to accommodate unassigned seat requests.
- The requested bus services the school the student attends.
- The seat is provided with the understanding that the seat may be needed for new families to the community in the future who are eligible for transportation.
- The seat is only provided for the current school year, and seats must be requested annually.

HRCE will:

- Complete all requests in a timely manner. If a seat is available, we will offer it to you!
- If seating is available, you will be emailed approval for a seat starting September 30 or earlier.
- Contact families with timely notice if the seat is no longer available.
