

Dear Pre-Primary families,

Our Pre-Primary Team would like to welcome you to our program. We are looking forward to meeting all of our new families and building relationships with each of you. On September 3rd - 4th you will receive a phone call from the Lead ECE at your child's Pre-Primary program to provide you with all necessary information about the Pre-Primary program.

Here are some important pieces of information for you to have in the meantime:

1. **Morning & Afternoon Snack:** Snack will be provided twice per day in our Pre-Primary Program; we will serve a fruit and/or vegetable with every snack plus another food group. Please let the Lead Early Childhood Educator, at your Pre-Primary location, know in September if your child has any diet restrictions.
2. **Lunch:** Please provide a lunch for your child daily. We will have lunch around noon in a family style dining atmosphere. If you plan on sending a frozen meal we ask that you preheat this at home and place into a thermos. Unfortunately, we do not have a microwave in the Pre-Primary program environment.
3. **Extra Clothing:** Your children will be experiencing lots of messy play while in our program. Please ensure you have minimally one full change of clothes. Ensure your child is prepared for outdoor weather at all times as we go outside twice daily. If we do not have enough gear to change a child we will call home/work to ask for clothes to be brought to school or to pick up the child.

All other supplies and materials are provided by the Pre-Primary program.

Looking forward to a fantastic school year! Your Pre-Primary Team.
