Pre-Primary Program

Our Pre-Primary Program continues to grow! We are expanding Pre-Primary to 25 more schools for the 2019-20 school year.

Next year, families in 57 school communities will have access. All school communities will have access in 2020-21.

To be eligible, a child must have reached their fourth birthday on or before December 31, 2019 and live within the catchment area of the school offering the program.

Registration takes place at each school until June 28.

In July and August, registration will also take place at HRCE Offices, located at 33 Spectacle Lake Drive.

Schools will resume registering children on August 28.

Out-of-Catchment Registrations

There is a provincially-established process to accept students into Pre-Primary who live outside of a school catchment offering Pre-Primary. The process will open on October 7, 2019 and will continue until no more spaces are available.

More details on the out of catchment process can be found at:
