

Halifax Regional School Board Health Promoting Schools  
 Food Nutrition Policy (FNP) for Nova Scotia Public Schools  
**Quick Reference Guide Flow Chart**

**Food and Nutrition Policy Support Available:**  
**Food Providers:** We can review your school's current food and beverage offerings and provide assistance with changes necessary to meet the FNP.  
**Food Safety:** We can arrange the proper food safety training for volunteers and foodservice staff.  
**Financial Support:** Grant money is available to assist some schools with implementation of sustainable nutrition programs.  
**Nutrition Education:** We have a variety of resources and in-school PD opportunities available to assist staff in addressing food and nutrition curriculum outcomes.  
**Fundraising:** We are continuously exploring alternative fundraising ideas available to schools.  
**Students Who May Be Vulnerable:** We work with schools to ensure that food programs, such as breakfast programs, are made available to students in a non-stigmatizing manner.
