

**Auburn Drive – Cole Harbour District Families of Schools
Alert Message – February 15, 2017**

Parents/Guardians,

The Halifax Regional School Board (HRSB) recently granted the School Options Committee (SOC), a volunteer-led group reviewing 17 schools in the Auburn Drive and Cole Harbour District High families of schools, an extension of up to 90 days to complete their review.

As a result, the public meeting scheduled for February 23 has been postponed. You will be given at least two weeks' notice when the SOC determines the date for the next public meeting.

For more information on the school review, visit the HRSB website at: <http://www.hrsb.ca/about-hrsb/operations-services/school-review-process> .
