

Good morning EXCEL families,

As you are no doubt aware, all public schools (including the EXCEL Program) will remain closed for two weeks following March Break (and then will be reassessed) as part of our Province's effort to prepare and respond to the increased likelihood of more COVID-19 infections in Canada. We are currently working with our technical team at EZChildTrack to process refunds for service lost in the month of March and will let you know as soon as possible when that process is completed.

Because the situation can change as new information becomes available, we will also defer the billing of fees for service in the month of April (due March 20th).

We appreciate your patience during this time. If you have any questions, the best way to reach us is by emailing excelregistrar@hrce.ca or excel@hrce.ca . Thank you and take care.
