

Office of the Regional Executive Director of Education

March 3, 2020

Parents/Guardians,

Recently, the J.L. Ilsley High school community, under the leadership of Principal Gordon McKelvie, underwent a process to consider a name for the new high school.

Close to 1,000 submissions were received from the community with an overwhelming number expressing interest in the new school retaining the name of J.L. Ilsley High.

I am happy to reflect the wishes of the community and confirm that J.L. Ilsley High will remain the name of the new school when it opens in September 2021. I want thank Mr. McKelvie for leading the process and all those who contributed whether by sitting on the naming committee or by submitting a proposed name.

I hope your excitement for the new school is starting to build. We have created a webpage on the construction project – www.hrce.ca/jli-new-school and we will continue to share updates with the school for distribution.

Best wishes on the continuation of a successful school year.

Many thanks,

Elwin LeRoux,
Regional Executive Director
