Office of the Superintendent

November 22, 2016

Dear Parents/Guardians,

I am pleased to inform you that after approximately six months of work, renovations to the Beaufort building were recently completed. As you know, the renovations included converting the building back into an elementary school, installing technology and a portable classroom, and replacing the roof.

This was a major project and I want to acknowledge the provincial government for their support. I also want to thank the administration and staff of LeMarchant-St. Thomas, as well as the many HRSB staff members who worked on this project.

It will be exciting to watch the construction of the new school from start to finish. In the meantime, I appreciate the efforts of the entire school community to adapt to your new home!

Thank you for your ongoing support and best wishes for a successful school year.

Regards,
