

**School Alert Message – December 13, 2016**

Parents/Guardians,

An update regarding the construction of the new school:

The demolition of LMST has begun, starting with the gymnasium and north section of the building. The demolition is scheduled to last until the end of January weather permitting.

As the demolition progresses, access to the Watt Street playground structure will be restricted due to the proximity of the demolition activities. Upon completion, the play structure will be cleaned and access reinstated.

A reminder of the public meeting on Thursday, December 15 to unveil the design plan for the new school. The meeting is taking place at Halifax Central Junior High School, 1787 Preston Street, from 6:30-9 pm.
