

**School Message – May 30, 2018**

Dear Parents/Guardians,

I was notified this morning by the Department of Transportation and Infrastructure Renewal that Marco Maritimes has been awarded the contract as the General Contractor for the construction of the new school.

Marco will be mobilizing on site immediately to begin the construction in order to meet the schedule of having the new school open in September 2019.

As part of their mobilization, they will require access to sports field and playgrounds immediately meaning they will no longer be accessible to the public or the school.

I apologize for the short notice but it is great to see the construction progressing.

Sincerely,

Moira Cavanaugh  
Principal
