

New school project in Halifax to replace the existing LeMarchant-St. Thomas Elementary School

- Modern learning environment. The building is compact, with 3 stories at Classroom area, making best use of tight site.
- Public area with integrated Arts & Science (DaVinci) Studio between the Gym & Cafeteria.
- Classroom floors w/ collaborative spaces on upper floors only, as developmentally appropriate.

General Project Information	
Project Mgmt	NS Transportation & Infrastructure Renewal
