July 23, 2019

Dear Families,

We (Halifax Regional Centre for Education) are finalizing our bus routing for the 2019-20 school year.

Over the next few days, a member of HRCE's transportation team will be reaching out to families of students who receive transportation as a result of an identified special need to ensure they have their child's transportation information before the school year starts.

You can access your child's bus routing through BusPlanner's Parent Portal. If you have not registered for BusPlanner, you can log on to hrce.mybusplanner.ca to get started. You will need your child's Provincial Student Number (found on their report card) to register. If you are new to the system or the number is not readily accessible, we can provide it to you.

If you have any questions, please get in touch. HRCE's Transportation team is available to assist you all summer at 902-431-HRCE (4723) or transportation@hrce.ca.

The first day of school for students is September 5, 2019.

I hope you are having a wonderful summer!

Leroy Desroche,
Transportation Specialist
