Dear Parents/Guardians,

I am pleased to inform you that the Halifax Regional Centre for Education (HRCE) has received funds to complete upgrades to Oxford School.

The funding will be used to make upgrades to the building envelop and additional lifts in the school. We are currently developing a schedule for when this work will occur and will provide you with an update when the details are finalized.

Information updates on the project will be posted on our website at [www.hrce.ca/about-hrce/operations-services/capital-projects](http://www.hrce.ca/about-hrce/operations-services/capital-projects).

Best wishes on the completion of a successful school year!

Regards,
