

December 14, 2018

Dear SAC Chair:

The EECD is seeking the support of SACs in facilitating consultations to inform the development of the **Provincial Assessment Policy**. This week all principals had an opportunity to participate in the consultation and to review the materials. The expectation would be that principals assist SACs with facilitating the session with their SAC members.

The timeline for completion of the consultations is **February 1, 2019**. All feedback gathered through the consultation will be considered in the development of the policy.

If you have questions, please speak to your school principal.

Thank you,

*Susan Tomie*

Director, School Administration
