

Subject: Public School Bus System

Principals & SAC Chairs:

Government has launched a survey today, November 14, to hear from parents and guardians of students about their experience with the public school bus system.

The news release is available online at: <https://novascotia.ca/news/release/?id=20181114003> and a copy of the survey is available at: <https://www.ednet.ns.ca/bussurvey> .

The survey is only one component of a planned consultation process. As a partner in education, government would appreciate your feedback as part of the broader consultation on school bus transportation in Nova Scotia.

More information will be forthcoming soon to request your participation in the consultation process.

Thank you,

Cathy Montreuil
Deputy Minister
