SAC Chairs – Please share the following with all SAC members.

Dear SAC Members,

Thank you to the School Advisory Council Members who took the time to complete the recent Thoughtexchange on fine arts programs supported by supplementary funding. The question we asked was:

***As the HRCE plans for future supplementary funded fine arts programming throughout the HRM (with the goals of creating equity, increasing access, and fostering innovation), what should we keep in mind?***

102 SAC members participated in the Thoughtexchange and together they generated 89 distinct thoughts and assigned 1619 ratings to those thoughts.

A report on the results can be found [here](#).

HRCE staff will incorporate this feedback in the planning for supplementary funded fine arts programming throughout HRM.

We plan to continue using Thoughtexchange to gather input from our system. Hearing the voice of our communities is incredibly valuable as we work to provide the best experiences for students and their families. We hope that you will keep sharing your thoughts with us as opportunities arise.

Thanks again for taking the time to participate.

Thank you,

*Susan Tomie*

Director, School Administration
