

April 24, 2019

Hi all,

We received lots of positive comments on the use of Thoughtexchange as a tool to gather feedback from SAC chairs. Once again we are seeking your input. Please see the message below and consider sharing your thoughts.

Dear SAC Chairs,

As the HRCE begins planning for next winter, we are asking SAC Chairs for input on the topics of school and/or bus cancellations due to winter weather conditions. We are seeking your input to the following question:

Every spring, HRCE staff reflect on how we respond to winter weather conditions. As we plan for next winter, what do you want us to know?

The link to provide feedback is: <https://my.thoughtexchange.com/#399585115>

Please take a moment to share your thoughts from now until Wednesday, May 1. Your feedback will help us plan effectively. For more information on our current practices, [click here](#) .

As with all Thoughtexchange processes, all of the responses and feedback is gathered anonymously.

Your input is greatly appreciated!

Thank you,

Jacob Ritchie,
Director of Operations

Thank you,

Susan Tomie

Director, School Administration
