**Back to School Plan – Transportation Update**

Families,

We are sharing this information with all families to update you on student transportation so that you are aware of the steps we're taking on school buses for our shared health as outlined in the [Nova Scotia's Back to School Plan](#).

You can view and download the Back to School – Student Transportation update by [clicking here](#). Updates on busing and a full list of protocols can also be found on our website [hrce.ca/transportation](http://hrce.ca/transportation).

We are here to support families. If you have any questions, please contact the HRCE Transportation Team via email [transportation@hrce.ca](mailto:transportation@hrce.ca) or 902-431-4723.

We appreciate your patience as we all work together to get our students back to school safely.

Thank you,

Earl Romkey  
Transportation Coordinator
