

Meeting #9- Tuesday June 27, 2017

The meeting was held June 27, 2017 at JL Ilsley High School.

SSC Facilitator Gary Walker called the meeting to order at 6:02 p.m. Julia Jewett, seconded by Connor MacEachern, approved the minutes from the June 20, 2017 meeting on a motion.

Phil Cox, DTIR, presented the information the department was asked to collect for each site. He reported that detailed information was not prepared for Site 9 (Old Sambro Road near Irving) due to potential environmental and other considerations that would not allow the site to be used for the purposes of the school.

Also detailed information for Site 11 (Cowie Hill Area at HRM operation Office off North West Arm Drive) was not prepared because the land was not available.

DTIR presented information for Sites 10, (Area adjacent to Graves Oakley Park on Leiblin Drive) and Site 12, (Green Acres off the Herring Cove Road)

DTIR also presented information on Site 8 (MacIntosh Estate), which was asked for in an earlier meeting.

The committee evaluated the remaining sites. A report with the three potential sites will be forwarded to the board for consideration with the entire report from the SSC

Gary Walker agreed to write a draft of the committee's report, and asked the committee to send feedback on the draft when it is prepared later in the summer. For the report, DTIR was asked to provide the committee's original map of a 5-km radius from the centre of the community as well as a map of each of the remaining sites with the property outlined in red. HRM was asked to provide the service boundary map for the area as well as a copy of the HRM PowerPoint presentation from the June 20 meeting.

The meeting was adjourned at 7:26 p.m.
